Eligible Halton residents can make huge savings by registering – you pay an annual fee of just £10 and there is no further charge for an unlimited number of personal crossings for a whole year. Blue Badge holders can do the same for a £5 fee.*

Regular users of the bridges, wherever they live, will have access to other discount options, but must register with merseyflow (£5 one-off admin fee applies) to access these savings.

Drivers of cars or small vans will be able to buy peak or off-peak monthly passes that will cap their monthly costs and offer unlimited travel across the bridges.

Registering online is the quickest and simplest way.

If you are a Halton resident you will need to upload copies of your valid driving licence, current council tax bill and vehicle registration document.

If you are a Blue Badge holder, you will need to provide proof of your blue badge.

Remember, if you cross either of the bridges and don't pay and you aren't registered as an eligible Halton resident or Blue Badge holder, and don't have a monthly pass or pre-pay merseyflow account, you will receive a penalty charge of up to £60 for each crossing.
