- related to the specific Vehicle Plan you have cancelled. We will provide the refund within 14 days beginning on the day after you told us you want to cancel, using the same method you paid with; and
- 2.4.2.3. Crossings during the Cancellation Period will incur Tolls which do not include any Discount associated with registering for an Account (where an Account has been cancelled) and/or the Vehicle Plan which has been cancelled.
- 2.4.3. Any termination of this Agreement after the Cancellation Period can be done only as specified under clause 2.11.
- 2.5. Use of Automatic Number Plate Recognition System**
- 2.5.1. We use an Automatic Number Plate Recognition System to record images of vehicles (and its number plate) to calculate the Tolls due from your Account. You agree that we may do so for the purpose of operating the Merseyflow Scheme and that we may retain and use any such images or information recorded from your Sticker (if any) in accordance with, and for the purposes given in, our Privacy Policy.
- 2.6. Notification of Sale, Loss or Theft of Vehicle**
- 2.6.1. As we use an Automatic Number Plate Recognition System to calculate the amount due, you **must** tell us immediately if any vehicle registered to your Account is destroyed, sold, lost or stolen by telephone or at the Walk-In Centre and provide a unique reference number (URN) or crime reference number (CRN) from the police, or appropriate documentary evidence of the sale (as applicable) and, if we request, confirm the theft or sale in writing (by post or via the Website at www.merseyflow.co.uk), using the contact details set out in clause 2.19.
- 2.6.2. If you do not notify DVLA or us that a vehicle registered to an Account has been destroyed, lost, sold or stolen in accordance with clause 2.6.1, Tolls will continue to be calculated for that vehicle and you will remain liable for any Tolls and fees incurred by that vehicle and your Account will continue to be debited.
- 2.6.3. If you have recently changed your address or are planning to move address soon, you must tell the DVLA – or you may face a fine. Update the DVLA at <https://www.gov.uk/change-address-v5c>
- 2.7. Method of Payment**
- 2.7.1. You must specify in your Account/Vehicle Registration Application Form your proposed method of payment. If your method of payment is:
- 2.7.1.1. By **Auto Top-Up**, you must complete the Mandate instruction online, by phone, or using the form attached to the Account/Vehicle Registration Application Form; or
- 2.7.1.2. By **Manual Top-Up**, you must complete the details relevant to your proposed method of payment in the Account/Vehicle Registration Application Form.
- 2.7.2. Please note that if you submit a Mandate to us, you are providing your continuing authority for Tolls to be deducted from your bank Account pursuant to that Mandate. If payment via the Mandate fails at any time for any reason, we will automatically deduct the relevant Tolls and fees from your credit or debit card using the details you have provided to us.
- 2.7.3. If you chose to pay to your Initial Credit and Fees Payment by a method other than debit or credit card, your payment must clear prior to your application being accepted.
- 2.7.4. We will be entitled to deduct from your Account all Tolls, and other sums due to us pursuant to this Agreement, as they are incurred.
- 2.7.5. If you choose to pay by Auto Top-Up you can:
- 2.7.5.1. Set the minimum balance threshold (subject to a £10 minimum) which will trigger an Auto Top-Up payment; and
- 2.7.5.2. Set a top-up amount from a pre-defined list of top-up amounts or set an amount of your own choice subject to a £20.00 minimum.
- 2.7.6. You may change the amount of your Auto Top-Up at any time (subject to a £20 minimum).
- 2.7.7. You must only maintain, at any time, an amount of credit in the Account that is reasonably required to meet future Tolls and fees applicable to the vehicle or vehicles specified in your Account/Vehicle Registration Application Form. If on reasonable grounds we believe that you are holding credit balances on your Account in excess of the amount reasonably required to meet future Tolls (for example, if your Account Balance is more than double the amount you pay into your Account per month (as specified in your Account/Vehicle Registration Application Form), we may, by notice, either reduce your credit balances and return to you the excess amount from your Account, or terminate your Agreement pursuant to clause 2.11.3 unless you can provide justification satisfactory to us as to why it is appropriate to maintain the level of credit balances in question.
- 2.7.8. Apart from payment by Mandate, other acceptable methods of payment are payments by MasterCard, Visa, Maestro, postal order or cash (UK sterling).
- 2.8. Consequences of Non-Payment or Low Credit Balances on Top-Up Accounts YOUR ATTENTION IS, IN PARTICULAR, DRAWN TO THE PROVISIONS OF THIS CLAUSE 2.8**
- 2.8.1. It is your responsibility to keep your Account in credit. If you do not have enough money in your Account to cover the Tolls or subsequently, do not pay the Tolls by an alternative method when there is insufficient money in your Account to cover any tolls due, you may be issued with Penalty Charge Notices. In accordance with the Charging Orders continued non-payment could result in an increased Penalty Charge of £60 and the charge being registered as a debt against your name in the County Court. Having an Account will not prevent a Penalty Charge Notice being issued if your Account Balance is insufficient to cover the Tolls. It is your responsibility to monitor your Account and ensure you have sufficient credit at all times.
- 2.8.2. If your Account Balance becomes negative it will be suspended and any Crossings that you make during such time will not be subject to the Discount you would otherwise have received under a Vehicle Plan unless payment sufficient to reach the Minimum Balance Threshold (or if there is no Minimum Balance Threshold under the relevant Vehicle Plan, to put your Account in credit) is received by midnight the day following the date on which the Account Balance became negative. You can re-activate the Account by making a sufficient payment to reach the Minimum Balance Threshold or if there is no Minimum Balance Threshold under the relevant Vehicle Plan, to put your Account in credit. If your Account fell into a state of negative balance prior to closure, the negative balance amount will be automatically deducted from the payment you make, which may take your new balance immediately below the Minimum Balance Threshold. Any payments made to re-open your Account, do not cover any crossings which occurred whilst your Account was closed and should be paid for separately.

2.9. Your Account, Statements and Invoices

- 2.9.1. You will be able to monitor the status of your Account, at any time, by logging on to your Account homepage on the website at www.merseyflow.co.uk using the username and password we issue to you. Your Account has information relating to the previous 12 months for:
 - 2.9.1.1. the money you have paid into your Account;
 - 2.9.1.2. the Tolls and other sums we have taken from your Account or charged to your Account or in respect of which we have issued an invoice and the Crossings to which those Tolls have been applied;
 - 2.9.1.3. any such other information as we consider appropriate in relation to your Account in respect of the previous month.
- 2.9.2. We will send you an email to the email address you have provided with a link to your Account Balance Statement unless all the vehicles registered to your Account are registered to the Blue Badge or Emergency Services Vehicle Plan. We will not email you with an Account Balance Statement for the months during which there has been no activity on your Account.
- 2.9.3. We will not provide you with a printed statement of Account or invoice, in respect of any given month, unless:
 - 2.9.3.1. you have indicated in your Account/Vehicle Registration Application Form or subsequently told us that you require a statement in paper form;
 - 2.9.3.2. you agreed to pay an additional fee for such paper statements or paper invoices of £1.00 per document. We may vary this charge from time to time on notice to you but if you are not happy with the new charge, you can cancel your paper statements or paper invoices; and
 - 2.9.3.3. there has not been activity on your Account in that month.
- 2.9.4. In these circumstances, we will provide you with a statement on the same day in the month that you opened the Account or on the last day of the month (if earlier). We may, from time to time, decide to change the frequency or duration covered by your statements but, if we do so, you will be notified in advance.

2.10. Your Responsibilities

- 2.10.1. As a condition of your continued use of the Account, you will use the Account only for the purpose, and in the manner, permitted in this Agreement and in compliance with all Applicable Law.
- 2.10.2. You are responsible for keeping confidential your username, password and any other information relevant to your access to your Account.
- 2.10.3. You agree:
 - 2.10.3.1. that it is your responsibility to comply with the terms and conditions which apply to the Vehicle Plan(s) which the vehicles registered to your Account are registered for, including any requirement for Minimum Balance Thresholds and valid payment methods;
 - 2.10.3.2. to notify DVLA and us promptly if you sell your vehicle or if it is lost, destroyed or stolen;

 - 2.10.3.4. that you are not entitled to interest on any money you pay into your Account;
 - 2.10.3.5. that the Tolls are subject to increase by HBC in accordance with the Charging Orders and any such increase will become immediately binding on you;
 - 2.10.3.6. that we may increase the Minimum Top Up and any other fees payable by you under this Agreement from time to time in accordance with Clause 2.15;
 - 2.10.3.7. to notify us immediately if you cancel or alter your Mandate or do not intend to continue making payments by any of the other methods;
 - 2.10.3.8. to pay the Tolls in full and that the Discount will not apply if:
 - 2.10.3.8.1. your Account does not have enough money in it to cover the Toll in question; or
 - 2.10.3.8.2. you have reported your vehicle as sold, lost or stolen to us in accordance with clause 2.6 and have since recovered it but have not told us;

 - 2.10.3.10. to ensure that the vehicle number plate attached to any vehicle registered to your Account is clearly visible, not likely to be misread due to damage, deterioration or because the characters are obscured, and complies with The Road Vehicles (Display of Registration Marks) Regulations 2001 (as amended);
 - 2.10.3.11. that your Account can only be used to pay for Tolls and fees incurred by the vehicle(s) registered to the Account; and
 - 2.10.3.12. that it is your responsibility to notify us if you cease to be eligible for any Vehicle Plan and such notification shall be treated by HBC as a cancellation by you of the applicable Vehicle Plan in accordance with the terms of this Agreement.

2.11. Termination

- 2.11.1. We may terminate this Agreement and/or terminate or suspend your Account and/or any Vehicle Plan at any time by notice in writing to you in any of the following circumstances:
